ITPI/BTA/2025-26/11336
31st October, 2025

Subject: Best Thesis Awards - 2025 for Postgraduate (M. Plan); Undergraduate (B. Plan) and ITPI Best Thesis Award for female student.

Dear Sir/Madam,

As you are aware, the Institute of Town Planners, India (ITPI) under Article 3 (D) of the Memorandum of "Articles of Association and Bye Laws of ITPI," has instituted National Best Thesis Awards in planning. These awards are given annually in following categories:-

- Category (1). Postgraduate (M. Plan.),
- Category (2). Undergraduate (B. Plan).
- Category (3). ITPI Best Thesis Award for female students.

To enable ITPI to select this year's National Best Thesis in Planning we invite you to nominate one student from each department of your institute for both Postgraduate (M. Plan.) and Undergraduate (B. Plan) categories. The nominated student for M. Plan and B. Plan categories must have achieved the highest marks in their Thesis for the year 2025. However, for the category ITPI Best Thesis Award for female students the entries may be submitted for the thesis which are focused on "**Inclusive Planning**". Please submit the student's thesis report and other required details using the enclosed form.

Kindly ensure that the thesis along with the covering letter with the signature of HOD, reaches ITPI not later than 30th November, 2025. We request the concerned Institutes / Schools to inform the nominated students to attend the online Jury for presenting their thesis. Please note that students who do not appear before the Jury will not be considered for the award.

Additionally, students of category 1, 2 and 3 securing the top three ranking will receive a cash prize and an invitation to attend the National Town and Country Planning Conference, as free delegate with T.A (AC-II, Rail Fare to and Fro) and suitable accommodation. They will also have the opportunity to showcase their thesis work in the exhibition at the Conference.

Best regards,

Yours sincerely,

(Pradeep Kapoor)
