ITPI

First Meeting of the Climate Action (2023-24)

Held at ITPI HQ on 2nd April 2024

Climate Action Forum
Chairman - Shri Rajneesh Sareen

ITPI plans to focus on tier-2 and tier-3 towns and bring out a toolkit that informs them to conduct resource mapping and create a climate baseline. Such towns are more than 3000 in numbers. This toolkit will help them to identify their existing and potential climate problems, and also comprise of available schemes and funds by which these towns can easily respond to climate problems.
